## Cantor's Message

Alisa Forman

### The Israeli campaign in Iran – fighting for survival

Israelis and Americans alike are split in their opinion of Netanyahu's actions in Gaza. But when it comes to the war with Iran, Jewish Israelis are overwhelmingly in favor of it (recent poll shows 83% of Jewish Israelis support Israel's strike against Iran.) We in America do not acknowledge the threat Iran poses to Israel and the United States. I just learned about the "Destruction of Israel" clock that stands in the public square in Tehran. A clock like that shows Iran's seriousness in its plan to destroy Israel. Let's look at that and some of the other targets of the Israeli Defense Force explained by [firstpost.com](http://firstpost.com), June, 24, 2025. Then a few words from Sara Rigler on what it means.

### Explained: What does the 'Destruction of Israel' clock signify?

"The Israel Defense Forces (IDF) said its fighter jets hit the headquarters and other buildings linked to Iran's internal security forces and the Islamic Revolutionary Guard Corps in Tehran.

Israeli Defense Minister Israel Katz said the strikes on "regime targets and governmental repression bodies" also hit the 'Destruction of Israel' clock in Tehran's Palestine Square.

The clock was installed in 2017 and counts down to the year 2040, the year Iran's Supreme Leader Ayatollah Ali Khamenei predicted that Israel would no longer exist.

Its message, displayed in Persian, Arabic and English, was meant to reinforce Iran's position as a central player in anti-Israel activities.

When it was first revealed, the digital clock showed that Israel had 8,411 days left.

After Israel claimed to have destroyed the countdown display, Iran's semi-official *Mehr news agency* shared a video it said showed the clock still running.

There is no way to confirm if the video is authentic or when it was recorded.

In the video, the clock showed 5,569 days remaining.

For Iran's hardliners, the clock stood as a constant reminder of their goal, the eventual destruction of Israel. For Israel, it was a provocation and a symbol of Iran's threat.

Among the sites targeted by Israel, the most notable was Evin Prison, which holds political prisoners, journalists, academics, human rights workers, and others seen as critics of the Iranian government. The strike is said to have hit the prison's entrance, possibly to allow prisoners to escape."

### The Reality of Evil in Iran (from aish.com, from "Iran and Blindness to Evil" by Sara Yoheved Rigler, June 18, 2025)

"...The tyranny and barbarity of the Islamic Republic of Iran is incontestable. The 2022 arrest by Iran's "morality police" of Mahsa Amini for not sufficiently covering her hair and her subsequent murder in custody led to protests in which dozens of protestors were killed by the police. According to a 2008 British WikiLeaks document, Iran's regime has executed between 4,000-6,000 gays and lesbians since the country's 1979 Islamic revolution.

Yet many Westerners who cherish the values being trampled in Iran cannot bring themselves to label the regime as “evil.” The illusion persists that a negotiated, monitored settlement where Iran promises to destroy its nuclear sites and not resume its nuclear program will solve the problem. Even the Iranian parliament’s chant a couple days ago, “Death to America! Death to Israel” is being ignored for what it is: a clear statement of Iran’s ideological commitment to destroy America and Israel by any means that work.

Those who today espouse dialogue and negotiations with the Iranian regime probably believe ...that with the right education and dialogue, everyone can get along. However, the insistence that evil dictators and regimes can be tamed into doing what is good for their own people, let alone the world, comes from a denial of the reality of evil.

It is blatantly clear that the Iranian regime is evil, so clear that the vast majority of Israeli Jews, from right to left, stand behind Netanyahu. Evil cannot be cajoled, convinced, or even threatened to forfeit its destructive designs. Its most vulnerable victims are those who, out of their own goodness, naivete, or willful blindness, refuse to recognize the monster that seeks to devour them.”

## **NEW: Planned giving to Temple B'nai Darom**

Members and guests are very generous towards Temple B'nai Darom. As our president, Howard Shiner, frequently says, "the temple does not run on dues alone". Have you thought about making a planned gift to the temple after you have passed? Please think of us as you or your loved ones plan for continued or one-time giving through a bequest, gift annuity, charitable trust, life insurance, in your will, or via another estate-planning tool. Please speak to your financial advisor to determine if this would be possible under your individual situation. The temple and future generations will appreciate your generosity.

*L'dor V'dor.* From generation to generation.

## TBD is back on the World Wide Web

Following a period of maintenance the temple web page is back and better than ever. Ironically the new site launched just two days before Shavout, the commemoration of the Israelites receiving the Torah on Mt. Sinai. The design of the site – still at [www.templebnaidarom.org](http://www.templebnaidarom.org) – is totally updated but still prominently displays the claim of being *“Florida’s Second Oldest and Friendliest Jewish Congregation”*. The monthly list of services and events as well as sponsors for the Oneg Shabbat and Kiddush refreshments will be kept current so members and others know when to attend as well as giving extra thanks to the sponsors. There are quick links to the month’s current newsletter and the Facebook page as well as buttons to easily send email to the temple. The new temple email is [templebnaidaromocala@gmail.com](mailto:templebnaidaromocala@gmail.com) . “The site should be more attractive to members, newcomers and potential members as we approach our temple’s 140<sup>th</sup> year,” remarked President Howard Shiner. The new site was designed by Ryan Gargiluo who runs a digital marketing and web design agency. His parents live in On Top of the World.

## We are on Facebook

We are updating our list of services, events, well-wishes, news, and the latest newsletter via Facebook. Like us and follow us at “Temple B’nai Darom”.

## Mazel Tov on Your Simcha

Are you having a Simcha in your family – i.e. new baby, engagement, wedding, graduation, retirement, honors and awards? Share your nachas with your Temple B’nai Darom family and we’ll gladly post it in the newsletter. Send an email to Bruce Kanner at [bmkanner@comcast.net](mailto:bmkanner@comcast.net) with the details. And please consider making a donation to the Temple as well.

## Genealogy Fundraiser

Have you ever wondered about your family tree? How your family got here? The ship they came over on? Where they resided? Military service? What they did for a living? If you don’t have time to do the research yourself, Temple member Barbara Hamerling will do it for you as a temple fundraiser.

Barbara has been doing genealogy for the past 50+ years and has many genealogical sites to use to find this information. A basic search (with copies of what she finds) will cost \$25.00. **You do not pay until she gives you the info.** Your check should be made out to *Temple B’nai Darom, PO Box 773368, Ocala, FL 34477*.

If you want any additional research where she will send out for information, there will be an additional nominal fee.

Please contact Barbara Hamerling at [barb4949@gmail.com](mailto:barb4949@gmail.com) or call her at 352-513-5169.

## Honor your Bar or Bat Mitzvah

Recently the Temple had the opportunity to acknowledge two congregants on the reading of the Torah portions from their respective bar and bat mitzvahs. It was truly a touching event. Do you know the name of the Torah portion (*parsha*) from your own bar or bat mitzvah? The Temple would like to acknowledge this important anniversary for you and invite you to receive a special honor or aliyah at the appropriate Shabbat service. Please contact Bruce Kanner at [bmkanner@comcast.net](mailto:bmkanner@comcast.net) and we will work with you and Cantor Alisa to celebrate your life achievement with the congregation.

# Your donations of support are a mitzvah

*Here are some of the ways you can support Temple B'Nai Darom. As Temple President Howard Shiner says while encouraging your generous donations: "The Temple does not run on dues alone".*

## **Rabbi Harold Jaye Security Fund**

Even though Rabbi Jaye has retired, we can still honor his more than 30 years of service to Temple Bnai Darom through donations to the Rabbi Harold Jaye Security Fund. The Temple board has decided to provide a uniformed Ocala Police Department officer as security at all services and Temple events. These are troubling times for Jews around the world and here in the US. While this added security is costly to our Temple, it is unfortunately necessary to make sure as many congregants as possible feel comfortable coming to Temple. To make a donation, please send your check to Temple B'nai Darom, PO Box 773368, Ocala, FL 34477, and write "Rabbi Jaye Security Fund" in the memo section.

## **Friday Oneg Shabbat and Saturday Kiddush**

We are soliciting sponsors for our after Friday services oneg Shabbats and Saturday morning kiddushim. Sponsorship is easy and affordable. It is customary, at the conclusion of services, for congregants to enjoy a communal snack. On Friday night it is usually challah, cookies or cake and a fruit bowl and on Saturday it is a light lunch (egg, tuna, pasta, salad, bagels, etc.). If you would like to donate a dish or sponsor an Oneg or Kiddush for a special occasion such as birthday, anniversary, or in memory of a loved one, contact Sharon Michaelson at [mycascades@icloud.com](mailto:mycascades@icloud.com) for available dates. You can sponsor in memory of or in honor of someone or just sponsor for no reason at all.

## **Cards**

Sending cards is a meaningful way to show you care for someone on special occasions such as birthdays, anniversaries, or feeling unwell. Donate to Temple B'nai Darom with a personal message, and we will send the card and acknowledge both your donation and the recipient in our newsletter, unless you indicate you or the recipient should remain anonymous. Contact Ilene at 352-861-0724 or [edandilene@gmail.com](mailto:edandilene@gmail.com) for more information.

## **Memorial Board Plaque**

Bronze Yahrzeit memorial plaques are available for purchase as perpetual and permanent tributes to your loved ones. Our Memorial Wall has individual lights that are turned on each year during the week of the Yahrzeit and on Yom Kippur. The price of a plaque is \$275. Contact Howard Shiner at 914-482-5326.

## **Bricks for sale**

Memorialize your loved ones or celebrate a special event. Thank your family or friends or honor an achievement. These are just a few of the life events you can highlight by purchasing a personalized engraved brick to be placed at our temple entrance. When Temple B'nai Darom left our old building the engraved bricks were removed, placed at the entrance of our current building and are visible when you enter and leave the building. Now we are expanding our "brick garden" and offering an opportunity to purchase a brick, including engraving, for only \$50. Contact Howard Shiner at 914-482-5326 for info.

## **Temple B'nai Daron's Memorial Gardens Cemetery**

Temple B'nai Darom purchased 2.6 acres of land in the Silver Springs Shores section of Ocala for the sole purpose of creating a Reform, Jewish Cemetery. This purchase, which began in 1982, was approved by the State of Florida as a non-profit, religious cemetery. This designation is forever. The first funerals were held in 1984.

Four sections of the Memorial Gardens Cemetery have been set-aside as Temple B'nai Darom's Memorial Gardens. Garden #1, available only to those of the Jewish faith, has 90 grave sites, and is full. Memorial Garden #2, also available only to those of the Jewish faith, has 110 grave-sites, and is available. Memorial Garden #3, available for those of the Jewish faith and for non-Jewish, immediate family members of those of the Jewish faith, has 80 grave sites and too is available. The fourth of these Gardens has not yet been opened for use.

When someone who has purchased Perpetual Care (which includes a grave site) in the Memorial Gardens Cemetery passes away, the family should contact Howard Shiner at (914) 482-5326, who will assist with the coordination of the funeral. For anyone desiring to discuss purchasing Perpetual Care in the cemetery or is interested in a tour, please contact Howard Shiner.

The cost of Perpetual Care in the Memorial Garden Cemetery is \$1,000 for Temple members and \$1,700 for all others. Members who purchase Perpetual Care as members agree to remain Temple members.

#### **A Storied History**

Ocala, established in 1846, saw its first Jewish residents arrive shortly before the Civil War. Jewish migrants, mainly from German-speaking lands, settled in Ocala during the 1860s. The United Hebrews of Ocala, formed in response to the growing Jewish population, built the town's first synagogue in 1888.

This began a period of organized Jewish religious life in the late 19<sup>th</sup> and early 20<sup>th</sup> centuries.

In 1965 the United Hebrews of Ocala changed its name to Temple B'nai Darom, meaning "Children of the South."

Today, Temple B'nai Darom stands as a testament to Ocala's rich Jewish history, reflecting the community's growth, success and enduring legacy now in the 21<sup>st</sup> century.
